SPECIAL CASES 2020

We are HPRC. We don't just design and manufacture watertight hard protective cases, we supply carrying solutions. And solutions need to be no-hassle and tailored to your needs.

This is why in Autumn 2013 we designed our first case with a foam specially cut to house the DJI Phantom 1.

Now, almost 7 years later, we are a leading manufacturer of custom cases for drones, gimbals, camcorders and cameras but we feel we are still at the beginning: more is yet to come.
