HPRC | HIGH PERFORMANCE RESIN CASES

CERTIFIED QUALITY

HPRC cases provide total protection to the carried equipment and can be used for all sorts of applications in OEM, B2B and B2C industries. They are 100% recyclable, ultra-light, watertight and resistant to shocks, acids, impacts, dust, and chemicals. On top of that, they are customisable. All HPRC cases meet high qualitative certified standards and have undergone stringent tests based on national and international regulations / standards.

CERTIFICATIONS		TEST	
IP67: water/dust resistance	✓	UV material protection	✓
STANAG 4280: drop/impact resistance	✓	UV color protection	✓
DEF STAN 81-41: drop/impact resistance	✓	Temperature: -40° C / +80° C	✓
ATA300: Air Transport Association compliant	✓		
MIL STD-810F Method 502.4: low temperature resistance	✓		
UL94 V-0: flame retardant material (on request)	✓		
ESD: conductive/antistatic material (on request)	✓		

Customization with our laser service

IP67 certification: dustproof and watertight

Resistant to mould, parasites, acids

Maximum resistance to impacts, drops and pressure

Resistant to weather and high temperature fluctuations (-40° C to +80° C)

100% recyclable

100% made in Italy

Lifetime warranty

Tripod support platform for HPRC cases up to HPRC2550W model

In Autumn 2013 Plaber designed the first case with a foam specially pre-cut to house the DJI Phantom 1, creating a new product category, **HPRC READY** cases. Ready-to-use, indestructible and tailored to all needs.

HPRC VECTOR PANEL

The **Vector Panel** is the new HPRC protective layer system which increases the overall performance and efficiency of your Ready case in any kind of environment, weather condition and temperature.

Made of special PVC based compound, the Vector Panel ensures:

- foam long-last durability and integrity
- improved protection for the equipment
- dedicated item slots, suitably marked, avoiding lost tools
- easy and quick organization of the case
- professional design and presentation.

HPRC VECTOR PANEL INSIDE

Professional drones

Consumer drones

Broadcasting

Photo \ Video cameras

Gimbals

Laptops

The above models represent a selection of HPRC Ready cases.

CERTIFIED QUALITY

Alstora is synonymous with **safe storage**. The sturdy containers hold up to the strictness of **extreme and long-lasting storage**.
From industrial, **domestic use to outdoor**, the Alstora range of containers is the perfect choice for the **meticulous organizer** who demands the very best in heavy-duty storage and **protection**.

laser OK!					ECO	MADE IN ITALY	10 YEAR WARRANTY
Customization with our laser service	**IP55 Certification:** resistance to water and dust	**Resistant to mould,** parasites	**Maximum resistance** to impacts, drops and pressure	**Resistant to weather** and high temperature fluctuations (-40° C to +80° C)	**100% recyclable resins:** certified and non-toxic	**100% made in Italy**	**10-year warranty**

Integrated slots both in the lid and in the base.

Fully closing lid made of polycarbonate with EPDM internal gasket.

Rounded and reinforced corners.

Double material closing latches.

Insulating non-slip rubber feet.

Certified and non-toxic recyclable resins.

reddot winner 2023
Product Design

Alstora containers are **stackable** and **nest inside one another** when empty to save space.

The lid opens 90° while remaining firmly attached to the container. It is therefore not necessary to remove all closing latches to fill the box, making it easier and faster to fill or empty it.

Milled and water cut foams

High-visibility inlays

Whether a case, a container, a cart or any other object, we can create the perfect foam for your every need.

FLAME RETARDANT MATERIALS

Plaber can make UL94 V-0 certified cases on request.

UL94 is a plastics flammability standard that determines whether a material will extinguish or spread a flame once it has been ignited.

V-0: is a classification of this standard: burning stops within **10 seconds**.

Plaber, a company of the IRVE | Industrie Riunite Veneto Emiliane Group, designs and manufactures high-resistant solutions able to meet any requirement for safe transport, handling and storage:

HPRC | High-Performance Resin Cases: professional and protective hard resin cases engineered to be indestructible.

Alstora | Protective Storage Boxes: hyper-resistant containers capable of handling any environment and temperature.

ConeCarts | High-Performance Multipurpose Carts: solutions for handling, protection, and storage.

IRVE represents the first Italian industrial project that brings together the manufacturing excellences of the plastics supply chain located in Northeastern Italy. Its primary goal is to provide customers with products and services of absolute excellence.
